Mr Goodwin.

Dear Sir,

Joseph May - one  
of the best boys in the world, you know -  
is about going to Europe - Italy, Germany &  
France (England no doubt,) Now could  
you give him letters to any bodies in  
Germany, or elsewhere? Mr Sartor from  
N.Y. March 1. If you would send him  
any letters - they might go to his Father,  
Rev Sartor May at Syracuse N.Y. -  
you would save a most clumsy young  
man some much effort

Very truly yours

Walter Parker
